

# Promoting Creativity in Your Child

***Free Parenting Program***

**Tuesday, June 16—7pm**

Learn about why some of our common ideas about promoting creativity in children don't actually work the way we want them to. Strategies for encouraging self-motivation and building self-esteem will be shared along with concrete ideas about how to help children take initiative with, and sustain, their own creativity.

Sylvia Ford M.A. is an Early Childhood Consultant who has been working with children and families in the San Francisco Bay Area for over 25 years.
